

Privacy Policy for the users of Trial Optima

TrialOptima recognises the importance of maintaining your privacy. We value your privacy and appreciate your trust in us. This Policy describes how we treat user information we collect on <https://app.mytrialogptima.com> and other offline sources. This Privacy Policy applies to current and former visitors to our SaaS platform (TrialOptima). By visiting and/or using our SaaS Platform, you agree to this Privacy Policy.

TrialOptima is a property of Jehangir Clinical Development Centre Private Limited, an Indian Company registered under the Companies Act, 2013 having its registered office at 32, Sassoon Road, Jehangir Hospital Premises, Pune – 411 001.

Information we collect

Contact information. We might collect your name, email, mobile number, phone number, organization details, street, city, state, pincode, country and IP address.

Payment and billing information. We might collect your billing name, billing address and payment method when you purchase the subscription. We NEVER collect your credit card number or credit card expiry date or other details pertaining to your credit card on our SaaS platform. Credit card information will be obtained and processed by our online payment partner (HDFC payment gateway)

Other information. If you use our SaaS platform, we may collect information about your IP address and the browser you're using. We might look at what site you came from, duration of time spent on our SaaS platform, pages accessed or what site you visit when you leave us. We might also collect the type of mobile device you are using, or the version of the operating system your computer or device is running.

Feasibility Assessment: You consent to upload and sharing of protocol synopsis and feasibility questionnaires on our SaaS platform for the purpose of site feasibility assessment. The information provided will be used solely for assessing site feasibility and will not be shared with third parties without your explicit consent, except as required by law. All information provided by you will be treated as confidential and will only be accessible to authorized personnel, including our

employees and contractors, involved in the feasibility assessment process and to the sites that you have selected in our SaaS platform. The information will be retained only as long as necessary to fulfil the purposes outlined or as required by applicable law. We will implement appropriate technical and organizational measures to protect your data against unauthorized or unlawful processing and against accidental loss, destruction, or damage.

We collect information in different ways

We collect information directly from you. We collect information directly from you when you register on our SaaS platform or purchase the subscriptions. We also collect information if you post a comment on our SaaS platform or ask us a question through phone or email.

We collect information from you passively. We use tracking tools like browser cookies and web beacons for collecting information about your usage of our SaaS platform.

Use of your personal information

We use information to contact you: We might use the information you provide to contact you for confirmation of a purchase on our SaaS platform or for other promotional purposes.

We use information to respond to your requests or questions. We might use your information to confirm your requests or questions.

We use information to improve our products and services. We might use your information to customize your experience with us. This could include displaying content based upon your preferences.

We use information to look at customer interests. We may use your information to make our SaaS platform and our services better.

We use information for security purposes. We may use information to protect our company, our customers, or our SaaS platform.

We use information for marketing purposes. We might send you information about special promotions or offers. We might also tell you about new features or services.

We use information to send you transactional communications. We might send you emails or SMS about your account or a subscription purchase.

We use information as otherwise permitted by law.

Sharing of information with third-parties

We will share information with third parties who perform services on our behalf. We share information with vendors who help us manage our online registration process or payment processors or transactional message processors. Some vendors may be located outside of India.

We will share information with our business partners. This includes a third party who assists us in maintaining and improving our platform.

We may share information if we think we have to in order to comply with the law or to protect ourselves. We will share information to respond to a court order or subpoena. We may also share it if a government agency or investigatory body requests. Or, we might also share information when we are investigating potential fraud.

We may share information with any successor to all or part of our business. For example, if part of our business is sold we may give our customer list as part of that transaction.

We may share your information for reasons not described in this policy. We will tell you before we do this.

Data Protection and Confidentiality

Data Security: We implement appropriate technical and organizational measures to protect the data provided by you against unauthorized or unlawful processing and against accidental loss, destruction, or damage.

Confidentiality: Both parties agree to maintain the confidentiality of all information exchanged under this Agreement and not to disclose such information to any third party without the prior written consent of the other party, except as required by law.
